HEALTH CAMPUS LIMBURG DC

HEALTH CAMPUS LIMBURG DC

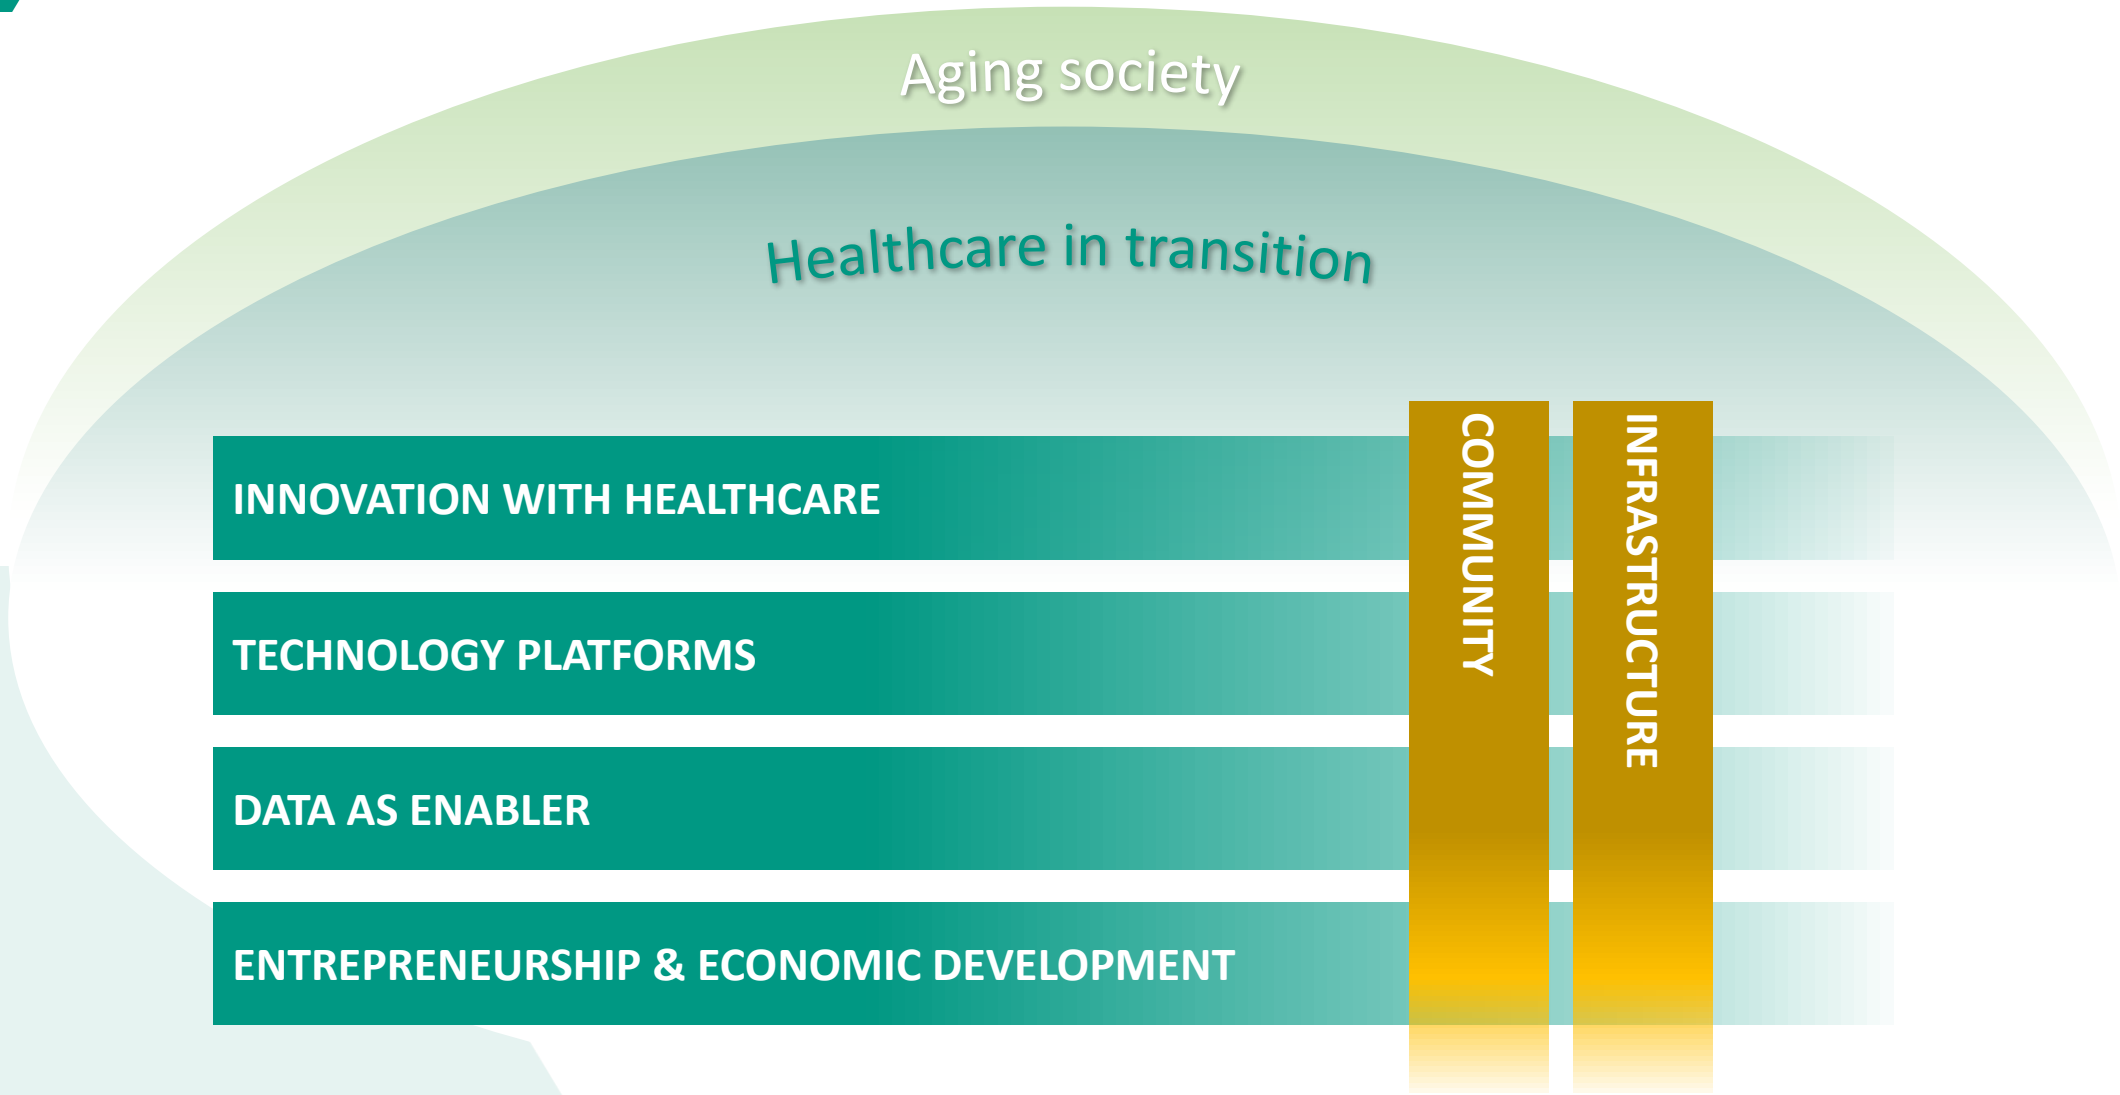
Quality care &
responsible entrepeneurship
in health & care economy
collaboration ● innovation ● valorization

An aging population is a global societal challenge

HEALTH CAMPUS LIMBURG DC

Strategy



HEALTH CAMPUS LIMBURG DC

Focus areas

- Digital & data-driven healthcare
- Patient-oriented life sciences
- Digital & personalized medication
- Primary care
- Integrated care
- Rehabilitation technology
- Clinical research & validation

HEALTH CAMPUS LIMBURG DC

A glance of the research ecosystem

BIOMED BIOMEDICAL RESEARCH INSTITUTE ▸▸ UHASSELT

Immunology & auto-immunity
Neuroscience
Cardiometabolism

UMSC | Universitair MS Centrum

IMO-IMOMEC ▸▸ UHASSELT imec

Materials science
In life sciences:
Biosensors, drug delivery systems, tissue engineering

DSI DATA SCIENCE INSTITUTE ▸▸ UHASSELT

Data governance
Data engineering
Data modelling
Decision support
> Clinical research & public health

DIGITAL FUTURE LAB ▸▸ UHASSELT

Human-centered digital technology

FLANDERS MAKE DRIVING INNOVATION IN MANUFACTURING

Interactive systems
AI-driven decision making
Digital experiences

REVAL REHABILITATION RESEARCH CENTER ▸▸ UHASSELT

Clinical rehabilitation carepaths
Rehabilitation technology
Motoric control & cognition
Health promotion

LCRC Limburg Clinical Research Center ▸▸ UHASSELT Ziekenhuis Oost-Limburg jessa ZIEKENHUIS

2 hospitals, each +/- 1000 beds
Clinical trial units
Cardiology, infectious disease, orthopedics, oncology, fertility
